Extended Summer School is available for children currently enrolled in our SJS Preschool. The session will begin with Orientations on June 8-9 through July 14, 2017.

See Aunty Marie in Preschool for more information.

## PLEASE NOTE:

Friday, March 17 is St. Joseph Feast Day  
This will be a regular release day for the elementary and preschool students. Only high school is being release at 12:30.

There will be an All-School Mass at St. Joseph Church, starting at 9:30am. Students will be taking a walking excursion to and from the church. Please ensure your child has a water bottle, jacket or small, folding umbrella — pending weather.

We will be having our traditional elementary school dance in the gym after lunch from 12:30 –2:00pm. After the dance, we will be returning to our classrooms in preparation for regular elementary dismissal at 2:30pm. (Preschool will also be joining us for the dance and released at their regular time.)
